Exactly what I was looking for.

By [Mariana Onikaa](#) on November 12, 2015

Format: Paperback **Verified Purchase**

I've been eyeing this book for a while on the author's website but it didn't have an adequate description and no preview so I waited. Amazon lets me return if I don't like a book so I grabbed it here. It arrived in 2 days with Amazon prime so I'm happy. It has just what it says. 101 medicines for health and life....from diabetes to financial success. He also has the Yoruba and English name for the plant. It is based on Odus so he has the odus and the Ofo ase included. It is geared toward Awos (Babalawos and Iyanifas) and not the lay person. You would need to do what Awos do when making the medicine so if you don't know what that is.... It's not for

Nice book. Good addition to one's library. Some of the entries contain unobtainable items so that is the only downside...
